The Register
of
Alberbury.

Alberbury Registers.

Alberbury, locally pronounced "Obberbury", is a parish situate nine miles west from Shrewsbury, in the diocese of Hereford, archdeaconry of Ludlow, and rural deanery of Pontesbury. It lies mainly in the Shropshire hundred of Ford, but partly in the Deythur and Cause hundreds of Montgomeryshire. It comprises Loton Park and the townships of Alberbury, Eyton, Little Shrawardine, Rowton, and Amaston in Salop, and Bauseley, Coedway, and Crewe Green in Montgomeryshire. Criggion and Great Wollaston, both formerly parts of Alberbury, have been cut off from it and made into separate parishes. The parish of Alberbury contains an area of 9,599 acres. The population in 1871 was 1661; in 1901 it was 794. The name is presumably derived from some Saxon *Alberic*, who settled here long before the Norman Conquest.

The *Parish Register Abstract* of 1831 gives this account of the Parish Registers:—"Alberbury V. (with Woollaston C. and Criggion C.), Nos. I-VI, Registers 1564-1634 (defective 1575-1608), 1636-1735, 1745-1749. No. VII, Bap. 1780-1812. No. VIII, Bur. 1780-1812. No. IX, Mar. 1780-1812." The same *Abstract* states that the Register of Cardiston contains "Bur. at Alberbury since 1747." This description is not very accurate.

The Alberbury Register begins in 1564. It is in Latin to 1654. It is in eleven volumes, which, excepting the last, have all been strongly bound to match, in calf, with tooled edge, and lettered in gilt on the back with their dates. They are of various sizes. They are in very good condition throughout, very few pages being worn, or injured by damp, and only few places illegible. The writing is for the most part good, but in the early part the Latin is oddly abbreviated, and some of the terminations are faulty. There are three or four unfortunate breaks, viz., from 1575 to 1608, from June 1641 to the following January, from July 1642 to the following January, and from 1645 to 1654, but this last is partly supplied by some entries (inserted in another place) between 1649 and 1653. The first five volumes all contain entries of Baptisms, Marriages, and Burials.

Some curious Latin words occur, as "parnus" (possibly for "patronus vicarie"), "corinarius", and "opheris."

The description of the volumes is as follows:—

Vol. I. 1564 to 1634, size $14\frac{1}{2}$ by $6\frac{1}{2}$ inches, contains 91 leaves of

parchment. Latin. A break from 1575 to 1608, and here occur 12 leaves of entries and notes in English, 1649 to 1653.

Vol. II. 1634 to 1661, size $16\frac{1}{2}$ by $6\frac{1}{4}$ inches, contains 41 leaves of parchment. Latin to 1654. Breaks from June 1641 to following January, from July 1642 to following January, and from 1645 to 1654.

Vol. III. 1661 to 1706, size $16\frac{1}{2}$ by $6\frac{1}{4}$ inches, contains 93 leaves of parchment. Well written, all in English.

Vol. IV. 1707 to 1734, size $11\frac{1}{2}$ by 7 inches, contains 60 leaves of parchment (two of which are blank).

Vol. V. 1735 to 1756, size $11\frac{3}{8}$ by $6\frac{1}{2}$ inches, contains 46 leaves (of which three are blank). From 1735 to 1740 are bap., mar., and bur., from 1740 to 1756 baptisms only.

Vol. VI. 1740 to 1779, size 12 by $8\frac{3}{4}$ inches, contains 38 leaves. From 1740 to 1779 burials; from 1740 to 1752 marriages.

Vol. VII. 1752 to 1775, size $12\frac{1}{2}$ by 9 inches, leaves 22. On the two first leaves are marriages 1752 to 1754; on the rest, baptisms only, from 1756 to 1775.

Vol. VIII. 1776 to 1812, size 16 by 9 inches, leaves 36. Baptisms only.

Vol. IX. 1754 to 1767, size 15 by 10 inches, leaves 25, and last page (stuck to cover) is written on. The ordinary printed marriage forms, parchment.

Vol. X. 1767 to 1812, size $15\frac{1}{4}$ by 10 inches, leaves 96, paper, the last 17 blank. The ordinary printed marriage forms.

Vol. XI. 1780 to 1812, size $14\frac{3}{4}$ by $8\frac{5}{8}$ inches, leaves 27, the last two of these blank. Burials only. Bound in plain white leather.

All but Vol. X are on parchment.

The chief names that occur in the Register, with Esq., Mr., Gent., &c., are those of Leighton, Lyster (de Rowton), Williams (de Wynington), Bigge, Lee, Lutwyche, Heynes, Frogmorton, Purslowe, Ameler, Jenkins, Thomas, Morris, Sir Richard Hussey (named as having a pew), Wynne.

There are some singular Christian female names, mostly Welsh, among them there are frequent:—Mahallt, Gaynar, Jucke, Douce, Maltisda, Marred, Mylbrowe.

Alberbury is situated on and partially over the Welsh Border, flanked on the north by the River Severn, and nine miles west of Shrewsbury. Formerly a Royal Manor,—in the 12th, 13th, and 14th centuries, a dwelling place of the warlike family of Fitzwarine, Alberbury is said by the Antiquary Eyton "to have a history of surpassing interest to those who would study the principles and workings of the feudal system".

The original Saxon Church was collegiate and dedicated to St. Michael. It now consists of a fine ancient Nave, a Chancel rebuilt in the middle of 19th century, a saddle-back fortress Tower on the north of Nave, and a 14th century Chapel (tithe free) on the south side belonging to the Leighton family, and separated from the Nave by very fine

early English piers. The Church is connected with the courtyard of the small ruined castle of the Fitzwarines by a flying buttress.

About two miles from the Church stands the White Abbey, long ago turned into a domestic dwelling; but some fine 13th century vaulting, the traces of a large east window and piscina, and an Early English doorway still exist. The history of its foundation by Fulk Fitzwarine in the time of King John is so quaintly told by a troubadour in the "Gestes of the Fitzwarines" that it may be worth recording here:—

"Fulk bethought him that he had greatly sinned against God as by slaughter of people and other great offences: and in remission of his sins founded a Priory (in the honor of our Lady St. Mary of the Order of Grandmont) near Alberbury, in a wood on the river Severn, and it is called New Abbey . . . and he saw in his chamber so great a light that it was wonderful . . . and after that light Fulk could never see more, but was blind all his days This Fulk remained seven years blind and suffered well his penance. Lady Clarice, his wife, died and was buried at the New Abbey: after whose death Fulk lived but a year and died at White-town (Whittington), and in great honor was he interred at the New Abbey; on whose soul may God have mercy. Near the altar lies the body. God have mercy on us all alive and dead, Amen." In the year 1858, the east end of the Abbey was altered by its owners, All Souls College, and under the altar were found five skeletons; they were taken up and buried in the orchard.

In 1441, Henry VI granted the suppressed Priory of Alberbury with all its tithes and advowsons to all Souls' College, whose property it still continues to be. In 1575 the yeoman family of Wood were living in the Abbey. In 1619 we gather from the entries in the Registers that Francis Leighton, a younger member of the Leighton family, was living in the parish, presumably at Loton, but it was not till early in the 18th century that Sir Edward Leighton, the head of the family, removed from Wattlesborough Castle to Loton, to which he added the North Front in 1711, and it has ever since been the permanent residence of the Leightons. The Lysters of Rowton (now represented by Lord Rowton) were long resident parishioners, also the family of Biggs of Benthall, and Owen of Bragginton. On their old Manor House, still existing, these words are carved, "GOD IS OUR HOUSE. THO. OWEN. 1675."

Old Parr is said to have been born at Winnington, in the parish of Alberbury in 1483. He died in 1635, and is buried in Westminster Abbey, having travelled up to London at the invitation of King Charles 1st, and died there. He boasted of having done penance in Alberbury Church at the age of 122, and lived 30 years afterwards.

The "Prince's Oak", in the Montgomeryshire portion of the parish, on the road to the Coedway, owes its name to the following circumstance:—In 1802, the Prince Regent, afterwards George IV, and his brother, the Duke of Clarence, afterwards William IV, were visiting Sir Robert Leighton at Loton, and on crossing the boundary between England and Wales Sir Richard Puleston plucked a branch from the first oak tree in the Principality and presented it to the Prince of

Wales, who placed it in his hat and wore it the rest of the day, to the delight of the surrounding villagers.

The following is a list, not however complete, of the Vicars of Alberbury :—

1284. Gregory de Clon.	1349. Thomas de Clerynton.
1302. Robert de Clopton.	1349. Richard de Burghton.
1337. Walter Pryde.	1357. John de Roden.
1340. Richard le Spencer.	1357. Owyn ap Mawkduy.
1341. Thomas le Wolf.	1362. Thomas de Manford.
1347. John de Ireland.	1371. Richard Breed.
1349. David de Wyke.	1381. John de Alberbury.

The above are given by Eyton.

1534. John Poole.	1778. William Thomas, B.A.
1573. Thomas Reynolds.	1829. Richard Webster Huntley, M.A.; also Rector of Boxwell, Gloucestershire.
1575. James Edwards.	1857. George FitzClarence Slade, M.A.
1614. Thomas Clarke, B.D., All Souls' College, Oxford.	1866. Joshua Mitchell, M.A., All Souls' College, Oxford.
1616. Thomas Swetnam.	1886. Walter Lomer Barnes, M.A., All Souls' College, Oxford.
1634. John Yates, M.A., All Souls' College, Oxford.	1894. John Philip Dalton.
1678. Thomas Hotchkis, M.A., All Souls' College, Oxford.	1900. William Klein, D.D.
1747. Bryan Faussett, M.A., University College, Oxford; died 1775.	
1765. Charles Grainger, M.A., All Souls College, Oxford; died 1 April 1778.	

The Registers were copied by Miss E. C. Hope-Edwardes, assisted by Miss Hughes, and the proof sheets, as they passed through the press, were collated with the original Registers by Miss Hope-Edwardes.

June 1902.

STANLEY LEIGHTON.

IN MEMORIAM.

Mr. Stanley Leighton, to whom the Shropshire Parish Register Society owes its origin, was in every sense of the word a man who fully represented his native county. He was descended from a long line of Shropshire ancestors, and in the latter years of his life there was probably no name better known to Shropshire people than was his. The members of this Society will be glad to have some notice of his life and work, though of necessity it must be brief and imperfect.

The Leightons appear in the list which the late Evelyn Philip Shirley prepared of those few families who in the male line hold at least the same rank and territorial possessions as did their ancestors in the reign of King Henry the Seventh. In 1692-3 Sir Edward Leighton was created a baronet, and from him descended Mr. Stanley Leighton's grandfather, Sir Baldwin Leighton, the sixth baronet, who married Louisa Margaret Anne, daughter of Sir John Thomas Stanley, Bart., of Alderley, from whom Mr. Leighton obtained his distinctive Christian name. His son, also Sir Baldwin Leighton, the seventh baronet, became prominent as a man of affairs in Shropshire, as also did his two sons, Sir Baldwyn Leighton, the eighth baronet, and Mr. Stanley Leighton, with whom we are now concerned.

Stanley Leighton was born at Loton Park, in the parish of Alberbury, on the 13th of October 1837, and was educated at Harrow and at Balliol College, Oxford, where in 1864 he graduated. He had previously, in 1861, been called to the Bar by the Inner Temple and went the Oxford Circuit for some few years. In 1867 and 1868 he visited India, extending his travels to Australia, and in 1890 he visited South Africa. Two years later he made a voyage to the West Indies. In 1871, the year that his father died, he settled at Sweeney

Hall, which came to the Leighton family through Mr. Stanley Leighton's mother, who was the daughter of Mr. Thomas Netherton Parker. Henceforward he took an active part in public affairs, and closely identified himself with the neighbouring town of Oswestry.

In 1874, Mr. Stanley Leighton unsuccessfully contested Bewdley, in the Conservative interest, but entered the House of Commons two years later, in 1876, as member for North Shropshire, when Mr. Ormsby-Gore, the sitting member, was called to the Upper House as Lord Harlech, and retained his seat until his death in 1901. He was chairman of the Clergy Defence Committee during the Welsh Tithe Riots. In 1896 his political friends in Shropshire presented him with his portrait, by Sir John Millais. This picture, now at Sweeney, has a special interest in that it was the last one which this artist painted. It is a remarkably fine likeness.

But it was not to politics only that Mr. Leighton's energies were given. He devoted much of his time, as his father had done before him, to the public business of the county. For some years he was in command of the local Volunteer corps, and as might be expected he was active in other ways. The interest he took in everything that concerned Oswestry was that of a prominent inhabitant of the place rather than of the modern member of Parliament whose interest in a district usually is limited by the fact that it affords him a seat in the House of Commons.

Mr. Leighton's literary tastes were chiefly directed towards antiquarian and historical inquiry. He took an active interest in the local archæological societies, and as a matter of course he became a Fellow of the Society of Antiquaries. To the *Transactions* of the Shropshire Archæological Society he contributed the "Records of the Corporation of Owestry", "Papers and Letters of Gen. Mytton during the Civil Wars," and various other papers to the *Collections* of the Powys-land Club, and also to the Cambrian Archæological Association, of which he was president in 1893. Perhaps his principal amusement was that of sketching the most notable houses in Shropshire, old and new. This resulted in a very large collection of drawings which, with the added descriptions, form in themselves almost a county

history. One volume of these, only a small portion, has been published, the last antiquarian work he undertook, but he did not live to see the issue of the volume.

In the preservation of our ancient records he took no small interest, as the work he did for the Oswestry muniments abundantly testifies. Realising the destruction that has taken place amongst our parish registers, documents which concern all classes of society alike, he in 1897 originated the Shropshire Parish Register Society for the purpose of printing the registers of the county in their entirety. Into this work he threw himself with energy and enthusiasm. In a discussion with the present writer as to the formation of the Society a doubt was expressed by the latter as to the amount of support that would be accorded to the scheme. Mr. Leighton would hear of no such doubt, and took a more sanguine view of the proposal, in which, as the members of the Society are aware, he has been amply justified. The Society's success, mainly due to Mr. Leighton's zeal in rallying round him both subscribers and workers, is of more than local importance, for it has proved the possibility of printing, within a reasonable limit of time, all our ancient parish registers. Hitherto the plans put forward for their preservation have usually embraced schemes for transcribing or printing them at the public expense. The work done by Mr. Leighton and others has abundantly demonstrated that what some have thought to be a utopian idea can be efficiently carried out by the individual enterprise of those interested in preserving our parish registers.

A biographical notice of Mr. Leighton has well described him as "a man of fine presence, having a manner marked with ancient courtliness, a scholar, and a country gentleman." He was, moreover, possessed of great natural wit, lending a vivacity to his features which the frontispiece to this volume, admirable as a photograph though it may be, is unable to portray.

His death, the result of an attack of pneumonia, came suddenly, at his London residence in Chester Square, on the 4th of May 1901, in the sixty-fourth year of his age. He was interred at Oswestry on the 9th of May.

Mr. Stanley Leighton married, in 1873, Jessie Marie,

daughter of Mr. Bertie Williams Wynn, who survives him. Their children are two, a son, Captain Parker Leighton, of the Royal Dragoons, and a daughter, Miss Rachel Leighton, who rendered considerable help in the affairs of the Shropshire Parish Register Society at the start, and for some time after, and has since carried out the intention which Mr. Leighton expressed at the last meeting of the Society which he attended, of presenting to the members, as his special contribution, a volume containing the registers of his native parish of Alberbury. All members of the Shropshire Parish Register Society will concur in deeming this to be a worthy memorial of one who rightly must be regarded as its founder.
